**MAYOR’S UPDATE**

Mayor Knorr expressed that to mark the one year anniversary of the flood, there were two thank you events this past weekend. The first was held at Bloomsburg University’s first football game of the season on Saturday and secondly, the Bloomsburg Ministerium held an event at the bandshell in Town Park on Sunday.

Mayor Knorr reported that the Phase V Street Lighting Project is out to bid with construction beginning in the spring of 2013. He also expressed that a generator was put in the budget for this year. During the flood last year, the generator in the basement of Town Hall was flooded. The new generator will be placed outside in the bicycle corral area. J. Barton is obtaining updated quotes to be presented at the next Public Works Committee meeting.

Since January when Carol Mas retired, she has been working as a consultant for the Town but as of August 29, 2012 she will no longer. Mayor Knorr expressed that her help will be missed.

Mayor Knorr briefly pointed out a few things concerning the 2012 general fund budget. Revenue is down substantially from the projections because of the switch from Centax to Berkheimer and the costs incurred from the flood. Mayor Knorr is confident it will catch up by the end of the year.
