Meet The Managers

Welcome back to another season at the Norris E. Rock pool. Jeff Huss will be returning as our pool manager for his second year. Jeff brings over four years of experience working in aquatics, both as a lifeguard and a manager, as well as a Sports Management Degree. This season Jeff looks to bring new and exciting changes to the pool. Our biggest change this season are the hours being extended. The pool will now be open until 7pm daily. Jeff has also added a few activities to encourage fitness at the pool. We are adding a pool zumba class and a 25 mile lap swim club. Jeff will be teaming with the new assistant manager, Christine Miccio. Christine has worked at the pool's front desk for 10 years and will be a big asset to our management team. We look forward to another great summer with you!
