<https://rodmachado.com/products/rod-machados-private-commercial-pilot-handbook?aff=151>

How class is facilitated:

1. Class instruction videos are emailed to you prior to the class meeting.
 - a. It is expected that you will also have already read the 3 chapters in Machado's book prior to attending class.
2. Class meets every Tuesday to discuss the assigned videos, and Q & A.
 - a. Class Discussion is 7:00 – 9:00 PM
 - b. Class meets at Bloomsburg Airport Conference Room
 - c. Or, if you prefer you may sign in virtually for class discussion.
3. For the aspiring helicopter pilots, we will also cover the FAA Helicopter Flying Handbook. This will be a supplement to the Machado book. Videos from this book will be provided."
4. Here is a link to download the helicopter book.
https://www.faa.gov/regulations_policies/handbooks_manuals/aviation/helicopter_flying_handbook/
5. **Ground school Course schedule:**
 - a. Will be provided to those who sign up.
