The "Big Event" is a single-day annual community service event which is sponsored by the Community Government Association, Inc. of Bloomsburg University. The Big Event gives Bloomsburg University Students (the "University Participants") the opportunity to recognize Bloomsburg residents by showing appreciation for the community they live, learn and work in by performing a number of chores such as raking, painting, gardening, mulching, removing debris and various spring cleaning duties. Those Bloomsburg area residents (the "Community Participants") who desire to participate in the "Big Event" with the University Participants agree to abide and be bound by the following rules as a condition of participating in the Big Event:

- a. Community Participants who are parents, custodians and/or guardians of minor children (those under the age of 18) (the "Minors") shall be present at all times when any Minors and University Participants are on the Community Participants property.
- b. Community Participants shall at all times provide supervision for Minors and not permit any Minors to be in the presence of any University Participants unless the Minors are accompanied at all times by the Community Participant.
- c. Community Participants shall at all times be responsible for the supervision and conducts of all Minors present on the Community Participant's property.
- d. Community Participants assume full responsibility for any risk of injury, death or property damage arising out of participation in the Big Event on behalf of themselves and any Minors under the care, custody or control of Community Participants.
- e. Community Participants agree that he or she has inspected the property which will be subject to participation in the Big Event and is not aware of any dangerous or defective condition which might pose a risk of bodily injury or death to Community Participants, Minors or University Participants.
- f. Community Participants shall also be aware that some of the University Participants may be Minors and that the Community Participants should act accordingly.

Dear Resident of Bloomsburg,

The Community Government Association of Bloomsburg University is excited for the 7th annual Big Event. This event revolves around Bloomsburg University students volunteering their time to help out residents of the town of Bloomsburg. Last year, over 2,000 student volunteers were sent out across town to help complete tasks such as raking leaves, weeding and general clean-up of residential properties.

The Big Event will be held on Saturday, April 2, 2016. Attached to this letter is a form for you to fill out to participate in this event. ***Please do not forget to sign the bottom of this form.*** After you complete the form, you may either drop it off at one of our **drop box locations** (listed on the front), mail it back to us, or call our office. You will be contacted the week before to confirm your participation in this year's Big Event. If you do not hear from our office, please call our number below from 8am to 4:30pm to confirm that your house is on our list. The Community Government Association and local businesses will provide many of the supplies needed for the tasks. On the day of The Big Event, students will report to their assigned work sites and complete the requested tasks, with your guidance. This is our way of showing our appreciation for the community that we temporarily call home.

REMINDER: HOMEOWNERS MUST BE PRESENT, OR STUDENTS MAY NOT STAY.

The Big Event has been a "BIG" success over the last 7 years, growing each year as we spread our mission across campus and town. We hope that you, the townspeople, will continue to let the student volunteers of Bloomsburg University flex their community service skills in order to strengthen our campus-community ties.

Sincerely,
The Big Event Team
